

Hometown Teams Shipping Information

Hometown Teams will fit in a 26' U-Haul Truck if you stack three of the pylon crates (crates 1-5) on their sides on top of crates 16, 17, and 18. Please do not stack any other crates. The following layout is just one suggestion for how it might fit in a 26' truck. This was made using U-haul's interior dimensions of 23'5"L x 7'8"W x 8'3"H. Trucks from other companies may vary in size.

Please make sure that all crates are securely tied into the truck.
