

A Tight-Knit Community in Le Mars, Iowa

Le Mars, Iowa

Story Narrative:

What's your favorite memory of living in a small town?

"My favorite memory would be living in this town, and I love this town. This is my favorite town, and my memory is that we know everybody and we do things, and nobody's a stranger. We know everybody so we're not scared of them, and we're happy about that, and we're also special because of that."
