

Meeting Hilary Clinton in 2016 in Dunlap, Iowa

Woodbine, Iowa

Story Narrative:

Speaker 1: Talk about a time you participated in a political function, or encountered a politician.

Speaker 2: Okay? I was involved in the Caucus, when Hilary Clinton was running for president, and she come to Dunlap to speak, and I personally got to meet after the presentations she give on the campaign rally. It was kind of cool. I got the shaker and ask her a question or two.

It was kind of fun to shake hands with someone you thought might be president one day.

Speaker 1: Right?
